Of course you'll say black labor is the most profitable; it is the Radical idea now, for Radicals as well as Conservatives have changed their opinions on that point. I'll take Helper; you may ing "old ways" have changed. Conferring the right of suffrage of course makes a darky as good a laborer as a white man. Jack Falistaff and Harry Percy were both knights. In the Radical way of thinking, Jack was a hero and Percy a poltroon.

> Letter from Henry County-The Great Bulphur Wells-Memphians Rusticating. Correspondence of the Public Ledger.]

Pante, August 5, 1867. As I have been rusticating here a lit tle, I thought you might like to hear from me. As I am a little vain of myself, and like to see what I write in a paper like the Langaz, which everybody reads, I shall charge you nothing for it. There were about a thousand persons at the Sulphur well, in Henry County, last Saturday, and Colonel Trezevant, of your city, delivered an address on political subjects, which was heard with much attention.

bers for social enjoyment at that won-

derful place. eccentric and persevering man comdriving the drill to an enormous high above the surface, and has been running a bold stream of sulphur water ever since sufficient to drive a mill. ereign, they might have triumphed so fair. I might amuse you withal by telling how General Atkins facetiously dealt with a distinguished fellow townsofficial documents, and find the number | man of yours. But as the Intelligencer does the thing well I subjoin the follow-

> half century ago.
>
> Our friend was charmed with the scene himself, although a lawyer by intuition and therefore accustomed to weigh with accurate and nice discrimination, and not liable to accept the likeness for the thing itself, could not withhold the admission that beneath these cooling shades and besides this sparkling icy water-away from the dust and bum of the crowded city-away from the diseases that stalketh at midnight and wasteth at noonday—away from the wrangling court room, and away from Brownlow and his Radicals—here with genial friends and accompanying refreshments, true pleasure might be sought and found.

Only one little scene occurred to mar the unbroken pleasure of the occasion. Our Memphian companion could not re-sist to plunge into the "deep waters," which he did without difficulty, but to rise from them to shore again was not so easy a matter. After daring us as Cosar did Cassius, to plunge into the turbid Tyber-but, unlike Cassius, we took the dare and staid out-into the deep cavern be leaped, and soon found the bottom, which, seeming to recode beneath the pressure (near two hundred mounds).

The people often gather in great num-

I am told that some fifty years ago an

ing extract: On Tuesday last we had the pleasure, in company with Hon. Ed. Yerger, of Memphis, of visiting his old familiar retreat of our childhood and boyhood days. Long years had elapsed since we had visited the "Well," and old Time had mercilessly wrought very many changes. Where once stood the palatial old arbor and ball-room, in the center of the surrounding group of pretty little white cottages, and where we used to whirl with the fair ones of those days, in the merry and giddy dance, not a vestige remains to tell the stranger that there was, away long time ago, the scene of many a rap-turous transport, and overflow of purest emotion. The very foundations are rased to the ground-the cottages are goneall are gone except a few grand old oaks who still stand the silent representatives of another age, but whose umbrageous branches afforded us protection from the summer sun, as they did our fathers a

Immigration and White Labor A Bundle and the whole country would shout Judge John T. Swayne, of Memphis. It "hallelujah! the American citizen of a frican descent has been returned to his original owner! Praise-God-Bare-dollars judiciously expended in preparing accommodations for visitors, would render the place one of the most popular render the place one of the South. The watering places in the South. The "well" itself, has no equal in America.

Loss by Portland Fire, July 4th.

Loss by Portland Fire, July 4th.

THE total amount covered by the Astna Policies on property destroyed or damaged is \$250,864, en which salvage will be about five per cent. Our total loss will not vary much from \$250,000, and was premptly adjusted and paid. This sum is five per cent, upon the Company's assets, a figure but slightly exceeding our Government and State taxes paid has year, or a preportion central to a \$5,000 loss for a company of \$100,000 assets.

The necessity for insurance and the value of wealthy, strong corporations is forcibly linestrated by this fire. Several weak insurance companies are destroyed. Fortland has a population of \$5,000 was handsomely built mostly fine brick or stone structure—protested and screened with upward of 3,000 shade tree—bounded on three aides by water—indeed, literally, almost rising from the ocean—and with a steam fire department—yet it has \$10,000,000 of property consumed in a few hours—upon a heliday when its people are least occupied—from the very insignificant cause of a contemptible firecracker.

Remember the triding origin of first that sweep away in a few hours the carnings of years. Consider your best interest and sive the Astna Acont a call if you need proper insurance security. Paya fair rate of premium for a good and genuine article, and with these lights and experiences before you, trocure your bestimates of insurance with shrawd judgment.
